Council of Mayors Executive Committee Report Transportation Committee December 12, 2008

The Council of Mayors Executive Committee has not met since your last meeting.

The Planning Liaisons (PLs) continued to actively work with local communities, IDOT and CMAP to support CMAP's Active Program Management goals by monitoring and adjusting their STP programs and the TIP to reflect changes in project costs and scheduling.

The PLs are working to define a more involved role in the Congestion Mitigation and Air Quality (CMAQ) Program application process. The goal is to assist communities with the process of applying for those funds administered by the Chicago Metropolitan Agency for Planning.

The next Council of Mayors Executive Committee is "On Call".
